Wi-Fi Calling allows you to make/receive calls or send/receive SMSs effortlessly over a Wi-Fi network connection. You simply pay for calls and SMSs according to your tariff plan rates.

Free yourself of high roaming costs when travelling abroad and pay for calls and SMSs as if you were calling within South Africa. This means no additional roaming costs if you call or SMS using a Wi-Fi network connection. This service can also be used for home or office use. Purchase a Wi-Fi Calling bundle that offers an unlimited calling and SMSing when you are on Wi-Fi. Simply dial *147# and select option 4 to purchase the bundle. This product is aimed at drastically reducing international roaming charges.
