SUBCONTRACTORS LIST

The subcontracting is a condition set in accordance with PPR Regulation 9 and for categories where there is more than supply and delivery only. For categories where it is only supply and delivery, this condition does not apply.

A successful bidder(s) will sub-contract a minimum 30% of contract value for the transversal contract period to a NEW or EXISTING Subcontractor who is an EME/QSE which is at least 51% black owned at a Provincial level who will either (not limited to) provide the downstream activities such as to deliver, maintenance of the furniture, supply consumables and/or recycle/up cycle for all the categories where it's feasible.

Bidders can access potential subcontractors from CSD for fulfilling this requirement as the information cannot be supplied without adhering to POPI Act.

This subcontracting is not applicable to bidders who are EME/QSE as defined on paragraph 1 of PPR who are at least 51% blacked owned.

All subcontractors must have been registered on CSD by the closing date and time of bid or before the commencement of the transversal contract.

Bidders must provide the following information for the proposed Subcontractors:

1. Company name of the proposed subcontractor(s),
2. B-BBEE Level status,
3. Location of proposed subcontractor(s),
4. The services or goods that the subcontractor will provide under this transversal contract.
