CONTRACT: RT72-2018: THE APPOINTMENT OF A SERVICE PROVIDER TO SUPPLY AND DELIVERY OF MEDICAL OXYGEN TO HOME PATIENTS ON BEHALF OF THE STATE FOR THE PERIOD 1 APRIL 2018 TO 31 MARCH 2021

1. This contract will be subject to the General Conditions of Contract issued in accordance with Chapter 16A of the Treasury Regulations published in terms of the Public Finance Management Act, 1999 (Act 1of 1999). The Special Conditions of Contract are supplementary to that of the General Conditions of Contract. Where, however, the Special Conditions of Contract are in conflict with the General Conditions of Contract, the Special Conditions of Contract will prevail.

2. The contract circular for the afore-mentioned contract distributed to user departments by the National Treasury, constitutes the official pricing and binding supply agreement between the contractor and the State. End-user institutions are, therefore prohibited from making any amendments of any nature to the afore-mentioned contract.

3. The National Treasury will communicate all amendments, if any, to the user institutions. It would only be at the receipt of such notification from the National Treasury that user institutions can affect any changes to this contract.

4. From a financial accounting point of view, it is important to verify the correctness of supplier's invoices for deliveries made in terms of the contract. Should there be any variances between invoice prices and the contract price as reflected in the contract circular, user institutions should query such variances with the relevant contractor prior to processing payment. Payment of prices other than the contract prices will be regarded as fruitless expenditure.
