#### PURPOSE:

To develop and implement a financial inclusion policy, and advise the Minister of Finance on related matters.

#### KEY OUTPUTS:

- Regular assessment of the state of financial inclusion across relevant market segments, including for small enterprises.
- Develop and implement a financial inclusion policy, observing international best practice and experience, with appropriate reference to the objectives of financial stability, market integrity and consumer protection.
- Ensuring stakeholder buy-in through the engagement with regulators, industry and civil society.
- Monitoring the socio-economic impact of policy interventions.
- Participate in multilateral (e.g. G20 SADC) financial inclusion initiatives and, where appropriate, advancing South Africa's position on issues under consideration.
- Assist in establishing the enabling environment in which additional classes of financial service providers, primarily aimed at the un- and under-served market, can be established and developed.

#### REQUIREMENTS:

- Postgraduate degree in law, commerce, economics, development or government policy
- 5-10 years' experience in financial sector regulation or a financial institution
- A thorough understanding of the socio-economic developmental issues in South Africa.
- An orientation towards achieving results and strong persuasive skills
