

MINISTRY OF FINANCE
REPUBLIC OF SOUTH AFRICA

MEDIA INVITATION

The Minister of Finance, Trevor Manuel, invites the media to the launch of the Public Private Partnership (PPP) Manual and Standardised PPP Provisions on 23 August 2004.

The two volumes draw on South African experiences in Public Private Partnerships, taking into account leading international trends.

The *PPP Manual* provides practical steps in the PPP project cycle and aims to empower institutions for improved infrastructure and service delivery. *Standardised PPP Provisions* are world best practice combined with South African priorities, and create certainty about the terms under which PPP deals will be structured. Together, these will enhance better implementation and service delivery.
