MEDIA RELEASE: TIPS FOR TREVOR

The Ministry of Finance invites all South Africans to send their suggestions (tips) to the annual Tips for Trevor campaign on what they would like to see included in the country's Budget. Minister Trevor A Manuel, MP will deliver his tenth budget speech in Parliament on 15 February 2006.

The Tips for Trevor campaign was launched seven years ago and is an opportunity for the public to engage with the Minister on issues they regard as important for the national budget.

More than 11 000 tips have been received since the launch of the campaign. Minister Manuel goes through all the tips sent in by the public. The tips received assist the Minister in understanding public sentiment on government's budget policies.

Tips for Trevor can be sent to:
