POSTPONEMENT OF MINISTER OF FINANCE'S MEDIA BRIEFING ON A WAY FORWARD FOR THE ECONOMY

Please note that the Minister of Finance, Malusi Gigaba's scheduled media briefing to talk about the way forward for the South African economy has been postponed to later in the week.

This is due to the Minister now having to attend a meeting with the ANC leadership on Monday. He will then meet with the Economic Cluster on Tuesday with the objective of developing a comprehensive response programme to the economic challenges.

Details of the new media briefing date will be communicated in due course.
