MTBPS 2017: MEDIA WORKSHOP

National Treasury has identified a need to facilitate a conversation between journalists and departmental senior officials, that will assist journalists with navigating the MTBPS documents. The conversation will happen in the form of a media workshop. The workshop is aimed at improving quality reporting by assisting journalists to analyse the MTBPS documents.

The workshop is in recognition that the period provided to go through the information on the day of MTBPS is limited for media to grasp the key issues in relation to the current economic climate and financial management imperatives.

In light of the above, National Treasury invites media to a pre-MTBPS workshop.

Details of the workshop are as follows:

Date : 24 October 2017

Venue : Imbizo Media Centre, Parliament

Time : 14:00-16:00

Please note this is not an opportunity for interviews nor is it a briefing on what will be presented on the MTBPS. The workshop is off the record.

For preparation purposes please indicate your attendance by RSVP'ing to zwikhodo.singo@treasury.gov.za by 18 October 2017.
