NATIONAL TREASURY SETS UP COVID-19 EMAIL ADDRESS

National Treasury has set up an email address where members of the public can send suggestions on how best National Treasury can deal with the COVID-19 virus. This is in support of efforts by the rest of government to ensure interaction with members of the public on the virus.

The email address is COVID-19@treasury.gov.za. Please share suggestions and ideas around how all South Africans can work together to overcome the virus.
