Schedule 3 contains information on extraordinary receipts and payments not included as revenue or expenditure.

Schedule 4 sets out net financing for the reporting month and the current year to date compared with the preliminary outcome for the previous year. The following table contains a summary of information relating to net financing.

Description	April 2004 R million	April 2003 R million

1) A positive change indicates a reduction in cash balances

2) Net financing has been rounded to the nearest million

A cash flow schedule for the Exchequer Account is included as schedule 5, summarising exchequer revenue to and departmental requisitions from the National Revenue Fund. These flows differ from the actual receipts and outlays in schedules 1 and 2, mainly because of timing differences between the cashbook transactions of departments and the South African Revenue Service.
