A cash flow schedule for the Exchequer Account is included as table 5, summarising exchequer revenue to and departmental requisitions from the National Revenue Fund. These flows differ from the actual receipts and outlays in tables 1 and 2, mainly because of timing differences between the cashbook transactions of departments and the South African Revenue Service.

Tables 1-5 are available on the website of the National Treasury at www.treasury.gov.za – click on the Communications & Media link – Press Releases link.
