PRETORIA, 4 FEBRUARY 2000 NO. 1920

REPUBLIC OF SOUTH AFRICA

**TECHNICAL ASSISTANCE
MANAGEMENT AND COORDINATION
MICROPROJECTS PROGRAMME**

The Ministry of Local Government and Lands, Government of Botswana, is seeking applications from interested parties for the position of Coordinator for a Microprojects Programme (MPP) which is to be funded by the Eighth European Development Fund.

The intended result of the programme will be the establishment and support of social infrastructure and small enterprises by the provision of supplies, equipment and training for target groups (rural dwellers, marginalised groups, youth). Community participation will be an important component of the MMP.

The MMP Coordinator will advise the Government of Botswana on appropriate methods of implementation, oversee the day to day activities of programme implementation, provide training as required and monitor programme performance.

The programme will run for 3 years and will have a total budget of Euro 2.5m. The earlier projects, also funded by the EU, provide lessons for the development of the current programme.

Candidates should have a degree and a background in rural development, including practical experience of community based development projects in Southern Africa. Previous experience at senior management level is essential. Experience of Botswana Government procedures and previous experience of microprojects would be an advantage. Conditions of service will be based on qualifications and experience. The appointment will be for a fixed period of three years and will commence in April 2000. In the first instance candidates should submit a letter of interest and a CV to:

TA to NAO for EDF Projects
Minister of Finance and Development Planning
Private Bag 008
Gaborone
Botswana
E-mail submissions should be sent to farrington@info.bw

All applications must be received by 12:00 on Monday, 14 February 2000.

A shortlist will be drawn up from the list of applications. Shortlisted candidates will then be sent more information on the project and requested to submit a short project proposal.
