Request for Proposal (RFP)—Gauteng Online.com is an initiative of the Provincial Government that aims to provide a model for sustainable computer usage in schools. The project will deliver 25 networked pc's in every public school over the next 3 years. In addition to the ICT infrastructure the project will also focus on school administration and curriculum applications to streamline school administration, improve the flow of information throughout the educational system and improve the quality of education thus the integration of ICT's in education. Industrial development and e-governance and IT awareness will also be addressed as part of this programme. The GDE requires a strategic implementation partner that will operate at a strategic and project management level within the project and will form a partnership with the internal project management unit.
