## DEPARTMENT OF ENVIRONMENTAL AFFAIRS AND TOURISM

### INVITATION TO SPECIALIST POLLUTION AND WASTE MANAGEMENT CONSULTANTS

In order to support and maintain its position as the lead agent for environmental management in South Africa, the Department of Environmental Affairs and Tourism requires ready and easy access to recognised specialist expertise in, among others, the field of pollution and waste management. To this end, section 40 of the National Environmental Management Act (Act No. 107 of 1998) (NEMA) allows the Director-General to appoint employees on contract when this is necessary to carry out the functions of the Department.

Every year, in order to expedite NEMA s.40 appointments, the department conducts a pre-qualification process with a view to the updating of its specialist database. Thus, the department invites recognised specialists to submit detailed CVs for evaluation and possible inclusion in the department's specialist database. Although the department will accept all CVs from pollution, waste and related specialists, the department is specifically interested in receiving CVs relating to the following fields:

- **Science and Technology**—toxicology; epidemiology; chemistry; chemical engineering; industrial process engineering; physical geography; ecology; forensic science/investigation; systems and software development; etc.
- **Law**—environmental law; enforcement; litigation; etc.
- **Finance and economics**—environmental economics; forensic auditing (finance & accounting); etc.
- **Communications**—market research; marketing; public relations; etc.
- **Management**—project development/planning; project management; project review/auditing.

Submissions in response to this invitation must include, at least, the following information:

- (i) Full name and contact details;
- (ii) Specific area of specialist expertise;
- (iii) Comprehensive CV specifically detailing relevant qualifications, knowledge, skills, experience, expertise, publications, memberships and affiliations relevant to the specific area of specialist expertise;
- (iv) Details of all previous work undertaken for the department including details of the relevant departmental project manager for each assignment;
- (v) At least 3 contactable referees; and
- (vi) Charge out rates in respect of:
  - (i) Short-term appointments, i.e. appointments of a duration no longer than 3 months; and
  - (ii) Long-term appointments, i.e. appointments of a duration exceeding 3 months but no longer than 24 months.

Hourly and daily rates as prescribed by the Department of Public Service and Administration will apply.

Only electronic submissions will be considered. To this end, submissions should be made before 4 April 2003 in MS Word format and e-mailed to the NEMA s.40 pre-qualification manager e-mail address: plukey@ozone.pwv.gov.za under the subject title 'NEMA s.40 pre-qualification submission'.

Although consultancy companies and academic and research institutes are welcome to make submissions, these must be individual submissions in respect of specific specialist individuals within the submitting organization.

The Preferential Procurement Policy Framework Act (Act No. 5 of 2000) will be used to inform the submission evaluation process. In accordance with this Act, following a technical merit selection based on relevant qualifications and experience, the 80/20 and 90/10-point system will be applied to this proposal.

For further information please contact Dr J. Matjila at Tel. (012) 310-3972, and Peter Lukey at Tel. (012) 310-3710, e-mail address: plukey@ozone.pwv.gov.za

*Closing date:* 4 April 2003.
