TENDER No. HLA 4/2/4-2003/16

THE APPOINTMENT OF A CONSORTIUM OF CONSULTANTS TO PREPARE A BUSINESS PLAN FOR THE URBAN REGENERATION OF GREATER EVATON AND TO FACILITATE IMPLEMENTATION OF THE BUSINESS PLAN

The Gauteng Department of Housing has established the Urban Regeneration Agency to ensure the effective implementation of urban renewal and regeneration projects in Gauteng. Urban regeneration programmes are implemented in partnership with the local municipalities and other government departments, and in consultation with local communities.

The next potential geographic area identified for urban renewal activity is the Evaton Area. A multi-disciplinary consortium of professionals is to be appointed to provide support to the Urban Regeneration Agency and its project partners, with specific reference to the preparation of an integrated business plan for the regeneration of Greater Evaton. The successful consortium may also be appointed to facilitate implementation of the business plan that is prepared.

Multi-disciplinary consortia are hereby invited to submit a tender to prepare a business plan for the urban regeneration of Greater Evaton, and to facilitate implementation of the business plan.

The proposal submitted by consortia should include a technical proposal on proposed scope of work and methodology, a cost proposal, and details on the composition of the team.

Interested parties may collect a copy of the terms of reference from Nyoni Mahlangu at the Gauteng Department of Housing, who may be contacted as follows: Tel (011) 355-4739 from the 15th September 2003. For information on the project, please contact Mike Maile on Tel (011) 355-4584.

Short listed applicants will be expected to attend an interview on the 1st October 2003. The Department reserves the right to nominate sub-contractors or to appoint more than one consortium if deemed necessary. The Department also reserves the right to appoint the successful tenderer for only parts of the work.

Proposals must be submitted by 11:00 on the 26th September 2003. No late proposals will be accepted. Original proposals must be submitted, including three hard copies and one copy saved in Microsoft Word.
