INVITATION FOR EXPRESSIONS OF INTEREST BY PROFESSIONAL SERVICE PROVIDERS FOR: OLIFANTS RIVER WATER RESOURCE DEVELOPMENT PROJECT (ORWRDP): 2ND STAGE PROJECT MANAGEMENT AND CO-ORDINATION

TENDER No. W8595

The Department of Water Affairs and Forestry intends to implement the ORWRDP that is aimed at addressing the long-term development of the scarce water resources in the Olifants Catchment to serve users (new and proposed mining, rural and urban, and other users) in the Mokopane–Lebowakgomo–Burgersfort–Steelpoort area, including Polokwane and the Nebo Plateau in the vicinity of Jane Furse. The project include construction of a new dam on the Steelpoort River on the farm De Hoop, road realignments, construction of bulk water pipelines and pump stations from the dam site to the intended users.

A wide range of planning and design activities are currently taking place on a fast-tracked programme targeting the start of construction by late 2005 so that the dam can start supplying water by not later than in 2009, preferably earlier. The full yield should be supplied by 2011.

Interested parties are requested to submit Expressions of Interest (EOI) to assist the DWAF Project Manager with planning, organising, co-ordination and control of the ORWRDP. A shortlist of firms will be selected from the EIO submissions and requested, in due course, to submit detailed proposals. EOI documents must be submitted at or before 11:00, on 6 August 2004 and at one of the addresses shown on the cover page of this document.
