<p>The South African Revenue Services' (SARS) hereby invite proposals to procure a service partner to manage and deliver the facilities management services to all its sites, within all regions of South Africa. The successful service provider will need to manage all SARS' properties, technical and business support services, in the most cost effective manner that satisfies the requirements of SARS' business with due regard for safety and environmental awareness, thus enabling SARS to concentrate on its core business of revenue collection. SARS is therefore seeking proposals from experienced facilities management service providers who can clearly demonstrate how they would manage and implement such a significant step change as described, whilst at the same time maintaining the desired levels of quality and performance. Please note: The closing date of this tender has been extended from 3 December 2004 to 10 December 2004.
