The Gauteng Capacity Building Programme for 2005/2006 and 2006/2007 financial years, proposes a specialised focused training course that address the priorities and the capacitation needs of the provincial and municipal housing officials. The design of the courses offered for the Gauteng Capacity Building Programme must be informed by the strategic direction of the Department as well as departmental, provincial and national priority areas and imperatives. The course that is envisaged will encompass and expound upon the concepts relating to *Good Urban Governance*.
