GAUTENG DEPARTMENT OF HOUSING

TENDER No. HLA 4/2/4-2005/37

APPOINTMENT OF CONSULTANTS TO DEVELOP AN INNER CITY REJUVENATION AND ECONOMIC STRATEGY

The Gauteng Department of Housing, within its Social and Mixed Development Directorate, identified the need to address the development dynamics of inner city precincts across Gauteng. Inner cities, due to their multi-sectoral, multi-dimensional nature, manifest development trends and influence urban management more intensely.

The aim of this is to research the development dynamics of inner cities across Gauteng, undertake a comparative analysis in relation to other development scenarios internationally and then establish a developmental reference point for the Gauteng Housing Department, as it relates to inner cities.

Objectives:

- It is anticipated that the formulation of a "State of Development Report" for each of the inner cities as defined will be developed. This will be in the form of an information pack that can be used by the Department of Housing as an assessment tool for future development and investment.
- To develop a socio-economic reference plan for each of the inner city categories as identified and then to develop a generic action plan for development and investment in these areas.
- To identify and prioritize potential developmental opportunities, per identified inner city category in Gauteng.
- To develop a detailed business plan for each of the identified project opportunities.

Phasing of the project: The project is envisaged to go through 6 phases, namely:

Phase 1: Definitions and Problems Statement.

Phase 2: Inner Cities and Parameters Identified.

Phase 3: X/Y Analysis Matrix and State of Development Reports.

Phase 4: Baseline Assessment Tool.

Phase 5: Inner City Assessment Strategy.

Phase 6: Project Phase and Business Plan.

Application process:

It is envisaged that the successful tenderer will be a consortium of consultants that will demonstrate capacity and expertise to address all the functional areas identified in the Terms of Reference for the project. The successful applicant will be expected to consult extensively and source input from line function Departments, the relevant local authority and community structures in the compilation of the frameworks.

There will be a compulsory briefing session for all interested parties on 25 May 2005 at 37 Sauer Street, on the 10th Floor Boardroom, at 12:00. Completed tender documents must be clearly marked with the tender reference number in a sealed envelope and must be deposited in the tender box on the Ground Foyer at the Department of Housing, 37 Sauer Street, Marshalltown, on or before 3 June 2005 at 11:00. Faxed, electronic or late submissions will not be accepted. Shortlisted applicants will be requested to attend an interview. The Department reserves the right to nominate sub-contractors in deemed necessary. Tender documents will be available from Friday, 20 May 2005, between 09:00 and 15:00, from Department of Housing, 37 Sauer Street, Bank of Lisbon, 7th Floor, Office 734, Marshalltown.

“Tender will be evaluated in accordance with the Department’s Preferential Procurement objectives which include—Black Ownership, management and operation, Local Partners (including material sourcing), SMME, Women Participation and participation people with disabilities.”

“Joint Ventures to achieve these objectives are encouraged”.
