SASSA

SOUTH AFRICAN SOCIAL SECURITY AGENCY

SUPPLIERS SEEKING REGISTRATION AS APPROVED SUPPLIER ON THE DATABASE OF THE SOUTH AFRICAN SOCIAL SECURITY AGENCY (SASSA)

The South African Social Security Agency (SASSA) is an extension of government's delivery arm that will administer the delivery of grants to destitute South Africans. Through SASSA, government will ensure improvement of the social security service delivery. SASSA aims to bring improvements that will benefit those living in poor households, suffering from malnutrition and improving the quality of health care of the vulnerable.

Suppliers are herewith invited to register as an approved supplier on the database of SASSA.

In order to comply with the procedures set out in the Supply Chain Management guidelines and the Public Finance Management Act, 1999 (Act 1 of 1999) (PFMA), the Agency has to develop a supplier database to be used by the Supply Chain Management Unit for acquisition of goods and services.

Although preference will be given to suppliers on the database, it does not necessarily follow that suppliers who are not yet on the database will be totally exempted from quoting for the supplying of goods or services to SASSA. It is envisaged however, that this database will contribute to the efficient administration and compliance with the PFMA.

Should you require further clarification please contact: Mr Aubrey Thulare
