Please quote **Ref. No. ESETA 1/2006** in all correspondence. correspondence without a reference number will not be attended to.

ESETA started operating more than 5 year ago. Its principal objectives are:

- To address the low level of skills in the Energy Sector.
- To facilitate the design of appropriate standards and qualifications for the sector.
- Develop and implement learnerships.
- Develop a database for education and training providers.
- Together with other professional bodies, ensure maintenance of high quality training and education provision.
- Implement skills programmes aimed at stimulating and supporting skills development in SMMEs.
- To create opportunities in the sector for skills development in social development initiatives.
- Implement awareness programmes on HIV/Aids, safety, environment, business skills and relationship skills.
- To promote entry and retention of relevant skills in the sector with particular focus on designated groups.
- To ensure skills programmes and learnerships are available to new entrants.

The internal audit function assists ESETA in bringing a systematic and disciplined approach to evaluating and improving the effectiveness of risk management, control and governance processes.

Bid documents are available at a cost of R250 per document, **on request**, from Ms Thandi Kente at ESETA [Telephone (011) 689-5304.]

NATIONAL PRODUCTIVITY INSTITUTE (NPI)

TENDER No. NPI JCR01/2006—ESTABLISHMENT OF PROACTIVE FUTURE FORUM

The National Productivity Institute (NPI) invites Business Consultants with the relevant understanding, experience and contacts to submit proposals for establishing proactive Future Forums in stable enterprises within South Africa

BACKGROUND

The NPI's Social Plan Technical Support Facility (SPTSF) is tasked with assisting enterprises to formulate and implement strategies that prevent job loss. Over the past 5 years, the SPTSF has assisted distressed organisations turn themselves around using Future Forums, a collaborative forum consisting of management and employee representatives. This forum focuses on identifying causes of organisational decline, developing and implementing solutions as well as structuring agreements on the management of job losses.

The success of Future Forums as a tool for enterprise turnaround has prompted the SPTSF to consider the use of a similar structure to prevent enterprise decline in stable companies. The SPTSF therefore wishes to conduct a pilot to determine the efficacy of such a strategy and develop the necessary support tools and infrastructure. The forums, to be referred to as Proactive Future Forums, will focus on:

- Creation of a collaborative relationship between management and labour.
- Development of an enterprise level early warning system.
- Development and implementation of strategies to prevent enterprise decline.
- Development and implementation of proactive strategies that equip employees with skills to develop alternative employment opportunities in the event of unavoidable job losses.

TIMEFRAMES

20 Proactive Future Forums should be established by 30 March 2006.

The Study should be completed by 30 September 2006.

Proposals will be evaluated using the following criteria:

- Methodology.
- Qualifications and proven track record.
- Broad Based Black Economic Empowerment.
- Cost.

Please note that the information provided may be verified for authenticity.

The following background information is available on www.npi.co.za

- Social Plan Guidelines for Employers.
- Application Form.
- Future Forum Constitution.
