DEPARTMENT OF EDUCATION**SCHOOLS INFRASTRUCTURE SUPPORT PROGRAMME (SISP)**

The European Community has made available the sum of EUR 60M to the Government of the Republic of South Africa for implementing the Schools Infrastructure Support Programme (SISP). The Department of Education (DoE) is responsible for the implementation of SISP. The DoE intends to allocate part of the funds for the extension and/or rehabilitation of about 150 schools in the provinces of Limpopo, KwaZulu-Natal and Eastern Cape.

The targeted schools are located in the following provincial districts:

- Limpopo: Capricorn, Mopani and Sekhukhune;
- KwaZulu-Natal: Ingwavuma, Nkandla and Vulindlela;
- Eastern Cape: Mthatha, Lusikisiki and Umzimkhulu.

The number of lots or number of schools to be grouped per contract will be decided at a later stage. However it is estimated that there will be 15–20 schools per district. It is expected that the tenders will interest works contractors with a CIDB rating of 6 GB or better, either in their own right or through joint ventures. Registration with the CIDB is not a requirement for the submission of an offer.

As the programme is funded by the EU, the Works will be tendered and contracted in accordance with the EC's standard procedures as given on their website: http://europa.eu.int/comm/europeaid/tender/practical_guide_2006/annexes_works_en.htm. Specific attention is drawn to article 1.2 of the Instructions to Tenderers.

The forecast is NOT a tender advertisement. Tender announcements will be published during 2006. It planned to launch the tenders in May 2006 for awarding of contracts in September 2006.

Further information can be requested from: Mr Peter M. Elliott, Procurement Expert, Programme Support Unit, Schools Infrastructure Support Programme, National Department of Education, Pretoria, South Africa. Tel: +27 [0]12 312-5998, Fax: +27 [0]12 321-4333, e-mail: elliott.p@doe.gov.za

Subject to sufficient interest, workshops on the EC procedures could be held for an invited audience during mid April 2006.
