<p align="center">CALL FOR EXPRESSION OF INTEREST</p> <p>Rezoning of a portion of the Pretoria National Botanical Garden. The South African National Biodiversity Institute (SANBI) is seeking proposals from interested and suitable professional town planners to submit bids for the co-ordination and management of the rezoning process of a 52.7 ha portion (RE of 97) of the farm Koedoespoort 325 JR that incorporates part of the Pretoria National Botanical Garden. A qualified town planner is required to facilitate the process of rezoning a portion of the Pretoria National Botanical Garden as soon as possible. The current zoning of the relevant farm portion does not meet the requirements and needs of SANBI and after initial discussion with the City of Tshwane Metropolitan Municipality's (CTMM) officials from the City Planning Division, the best solution has been suggested to proceed with a rezoning application for the required portion via the CTMM. SANBI does not have the required professional skills in-house, and therefore requires a qualified town planner to provide this service to SANBI. The Terms of Reference are available on the SANBI website on: www.sanbi.org For further information, please contact Mr Christopher K.
