<p>Lump sum tender: Construction of sixteen new secondary schools.</p> <ul style="list-style-type: none"> • Interested parties are hereby invited to submit bids/proposals with regard to the construction of 16 new secondary schools in townships throughout Gauteng Province. • Bids/proposals must be for a single, turnkey package deal for the construction of all 16 schools inclusive of project management, professional services (architectural, engineering and quantity surveying), contract management, quality control and financial management and reporting as well as building cost escalation. • Bidding parties must have proven capacity to carry the financial risks involved, including performance guarantee(s) and bridging finance. Monthly interim payments will be made based on proven and approved progress. • As the delivery of the schools is regarded as a provincial priority, preference will be given to bidders with proven capacity to deliver and who offer the shortest possible delivery period(s) for the 16 schools at a market related price. It is the Department's ambition to have the schools available before the end of March 2007. • Bidders shortlisted for adjudication purposes may be required to make presentations to the Departmental Acquisition Council or to engage in further discussions with the Department. • Shortlisting will be done by using, <i>inter alia</i>, the following criteria: <ul style="list-style-type: none"> (a) Proposals/management plans submitted. (b) Prices submitted for construction costs, contract management fees etc. (c) Time-frames for delivery (contract award until practical completion). (d) Proven capacity and expertise to delivery [names of key role players (owners/partners/directors etc), their relative experience, professional qualifications and accreditation, CIDB grading of contractors to be used, audited financial statements, letters from recognized financial institutions, references from previous clients, lists of previous and current projects etc must be included in company profiles to substantiate capacity claims). • The 90:10 point system provided for in the Preferential Procurement Policy Framework Act will be applicable. • Original, valid tax clearance certificates pertaining to prospective contracting parties (including members of joint ventures) must be submitted with tenders. • Tender documents obtainable from the Department include provisional generic bills of quantities to be priced by bidders for comparative purposes. Provision is also made on the tender form for prices relating to professional services, contract management, profit etc. (The final price to be agreed upon with the successful bidder will be based on measured bills of quantities, priced according to the rates in the generic bills of quantities, and site specific structural designs). • All sixteen schools are based on standard plans and comprise single storey brick and mortar buildings. The successful bidder will be responsible for site specific structural designs based on geotechnical reports to be provided by the Department and for the preparation of site layout plans. • The JBCC series 2000 Condition of Contract as amended for Government and project specific purposes will be applicable. • No official site inspections are required. • Price of tender documents is R100 per document (not refundable—cash or bank-guaranteed cheques) 	<p>Various townships: Gauteng Province</p>	<p>G/E (B) 397/06</p>	<p>2006-06-09</p>	<p>712</p>	<p>712</p>
