- Proven success in the management and support of donor related programmes.
- Proven success and experience of procurement of goods and services.
- Previous experience with Danida funded programmes will be an advantage.

It is expected that the successful bidder will be contracted for a period of two years to begin on 1st January 2007. Consultants may associate to enhance their qualifications.

As a result of this exercise "shortlisted" consultants will be invited to submit technical and financial proposals.

Interested consultants may obtain further information from the address below. Consultants are required to submit a full electronic copy of their expression of interest on C-ROM in addition to a hard copy and must be delivered to the address below by Thursday, 14th September 2006.
