The Seta for Finance, Accounting, Management Consulting and Other Financial Services (Fasset) is seeking to appoint one service provider with a network of/employing suitably qualified research experts who are located in South Africa and are able to conduct research and report, as required. It is expected that the following reports will be required over the period of contract: 1. <i>Mid-National Skills Development Strategy (NSDS) 2010–2015 Sector Survey:</i> • The sector survey is intended to outline the current 'picture of the Fasset sector' in terms of employers, education and training providers, learners, professional institutes and other specific areas. It must highlight skills deficits and skills priorities. 2. <i>Sector Skills Plan (SSP) (2005–2010):</i> • The SSP is the outcome of research (normally a combination of desktop, analysis of grant applications, specific research conducted with sample groups etc.) that, amongst other things, describes the overall labour market and skills development situation in the sector. It also provides the framework for setting and achieving the objectives and targets set out in the NSDS for the Seta. 3. <i>Annual SSP Updates (2008/09 & 2009/10):</i> • SSPs have to be updated annually based on the guideline issued by the Department of Labour (DoL). Two updates are expected over the contract period. • For each SSP Update an update of the Seta's scarce and critical skills list is required. The DoL has issued a Framework for the Identification and Monitoring of Scarce Skills based on the concept of 'Occupations' used as an organising principle for the collection and reporting of information relating to Skills Development in South African public and private enterprises. Two analysis reports are expected over the contract period.</p> <p>5. <i>Ad Hoc Research</i>: • From time to time the Seta may require ad-hoc research to be undertaken.</p> <p><i>Note:</i> (a) The various Research reports have differing commencement requirements and hence the prospective Service Provider would be contracted for a three year period, but would be required to predict the costs in respect of the individual documents listed above.</p> <p>(b) The prospective Service Provider would be expected to undertake research, utilising databases and other employer information supplied by Fasset.</p> <p>Full Request for Tender (RFT) documentation will be available for downloading from the Fasset website (www.fasset.org.za—<i>Tender Bulletin</i>) from 09:00 on the 6th November 2006. CONSTRUCTION INDUSTRY DEVELOPMENT BOARD**TENDER 2006/03****SUPPLY OF BANK CODES, DEED OFFICE VERIFICATIONS AND
COMPUTER ON-LINE VERIFICATION FACILITIES TO THE CIDB**

The integrity of the registration of contractors in the Construction Industry Development Industry (CIDB) offices depends to a large extent on the quality and currency of information that is held by the registers system. There has been a total move away from verification conducted telephonically or via the use of certified source documents to an electronic system. As part of this process, the CIDB has on-line access to the Companies and Intellectual Property Registration Office (CIPRO).

The service of a service provider is required to provide corporate information which is important in the evaluation of contractor registration process. These will include dealing with application enquiries, Bank Code updates and Deeds Office searches. It is important to the CIDB to have 24/7 electronic access to these services from the CIDB offices in Pretoria.

It is envisaged that the service provider will provide an experienced team leader with a sound understanding of the required services and with experience to manage the production of deliverables.

Queries relating to the issuing of tender documents may be addressed to the Supply Chain Management Unit (SCM Unit) at Tel. (012) 482-7200 or Fax. (012) 343-7153. E-mail: portiam@cidb.org.za

Tender documents will be available as from 1 November 2006 and documents may be collected from: Construction Industry Development Board (CIDB), Block N&R, SABS Campus, Leyds Street, Groenkloof, Pretoria, South Africa. 08h00–16h00, Mondays to Fridays.

No clarification meeting will take place. Tenderers are, however welcome to contact the CIDB's SCM Unit to raise any questions regarding this Tender. Responses to queries will be communicated via e-mail and/or facsimile to all that have collected documentation. Only queries raised on or before 12h00 on Tuesday, 14 November 2006 will be responded to.

Note: Tenders will close at the CIDB offices in Pretoria at 11h00 on 22 November 2006. Telegraphic, telephonic, telex, facsimile and late tenders will not be accepted.

Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data.
