<p><b>Correction Notice:</b> The Seta for Finance, Accounting, Management Consulting and Other Financial Services (Fasset) is seeking to appoint one service provider with a network of/employing suitably qualified research experts who are located in South Africa and are able to conduct research and report, as required. It is expected that the following reports will be required over the period of contract:</p> <p>1. <i>Mid-National Skills Development Strategy (NSDS) 2010–2015 Sector Survey</i>: • The sector survey is intended to outline the current 'picture of the Fasset sector' in terms of employers, education and training providers, learners, professional institutes and other specific areas. It must highlight skills deficits and skills priorities.</p> <p>2. <i>Sector Skills Plan (SSP) (2005–2010)</i>: • The SSP is the outcome of research (normally a combination of desktop, analysis of grant applications, specific research conducted with sample groups etc.) that, amongst other things, describes the overall labour market and skills development situation in the sector. It also provides the framework for setting and achieving the objectives and targets set out in the NSDS for the Seta.</p> <p>3. <i>Annual SSP Updates (2008/09 &amp; 2009/10)</i>: • SSPs have to be updated annually based on the guideline issued by the Department of Labour (DoL). Two updates are expected over the contract period. • For each SSP Update an update of the Seta's scarce and critical skills list is required. The DoL has issued a Framework for the Identification and Monitoring of Scarce Skills based on the concept of 'Occupations' used as an organising principle for the collection and reporting of information relating to Skills Development in South African public and private enterprises.</p> <p>4. <i>Annual Grant Analysis (2007/08 &amp; 2008/09)</i>: • The grant application forms submitted to the Seta are important sources of information that assist in understanding the human resources profiles and skills development needs of the sector. Two analysis reports are expected over the contract period.</p> <p>5. <i>Ad Hoc Research</i>: • From time to time the Seta may require ad-hoc research to be undertaken.</p> <p><i>Note:</i> (a) The various Research reports have differing commencement requirements and hence the prospective Service Provider would be contracted for a three year period, but would be required to predict the costs in respect of the individual documents listed above.</p> <p>(b) The prospective Service Provider would be expected to undertake research, utilising databases and other employer information supplied by Fasset.</p> <p>Full Request for Tender (RFT) documentation will be available for downloading from the Fasset website (<a href="http://www.fasset.org.za">www.fasset.org.za</a>—<i>Tender Bulletin</i>) from 09:00 on the 6th November 2006. Completed responses to the RFT must be received by Fasset, in accordance with the instructions contained in the RFT, by no later than 11:00 on the 7th December 2006.</p> <p>A non-compulsory briefing session will be held at the Fasset Offices on 15th November 2006 @ 10.00 am.</p>	Fasset	LD012	2006-12-07	428	428

## GAUTENG TOURISM AUTHORITY (GTA)

# REQUEST FOR PROPOSAL (RFP): DEVELOPMENT AND EXECUTION OF PR AND CORPORATE COMMUNICATIONS STRATEGY – Ref. CCS01

### BACKGROUND

The Gauteng Tourism Authority is the main marketing and coordinating arm of the Gauteng Provincial Government and reports to the Gauteng Department of Finance and Economic Affairs. The Authority strives to be a recognised world leader in destination management and marketing.

In pursuit of developing a top-of-mind destination profile it is the express objective of the GTA to position Gauteng as a premier African tourist destination for both business and leisure tourism.

### PURPOSE

The Gauteng Tourism Authority (GTA) wishes to embark on the development and implementation of a high-level Corporate Communications Strategy and Programme for the organisation. The intention is to ensure strategic and uniform messaging to external and internal audiences, the continued development of a positive corporate image, endorse the GTA's vision as the strategic leader of tourism in Gauteng, and ensure high level imaging and messaging of the provincial tourism offering through targeted trade and consumer campaigns.

Secondary to these objectives, the project also seeks to facilitate the dilution of persistent negative perceptions affecting the long-term growth of the sector.

### APPOINTMENT OF SERVICE PROVIDERS

Individuals and/ or organisations with suitable experience are called upon to submit proposals for the development and implementation of a comprehensive Corporate Communications Strategy and Programme in line with the following terms of reference.

### PROBLEM STATEMENT AND PROJECT DESCRIPTION

The Global Competitiveness Project report (Monitor et al: 2004) notes a serious lack of information sharing within the broader tourism sector.<sup>1</sup> Of secondary concern is the traditional lack of strong sector linkages and underdeveloped marketing and market knowledge still pervasive within the industry. Whilst the GTA has improved its visibility in the sector as a preferred destination marketing and management partner, concerns still remain in respect of its corporate image.

In light of the above constraints, it is the intention of the GTA to accelerate general public awareness of tourism and the achievements of the sector in general, increase the organisation's corporate profile, service internal customers of the Corporate Communications division and support the general objectives of the organisation through high-impact corporate communications.

This it hopes to achieve through the development and implementation of a Corporate Communications Strategy which will not only talk to the specific communication requirements of the organisation but also serve as umbrella framework for the facilitation of communication flows within the tourism sector in Gauteng in general.

### AIMS AND OBJECTIVES

<sup>1</sup> Global Competitiveness Project for the Department of Environmental Affairs and Tourism, the DTI and South African Tourism, Monitor Company Group, L.P. and South African Tourism, 2004

The objectives of the project are:

- Development and implementation of an integrated communication strategy for the GTA based on international and national best practice as evidenced from other successful destination marketing and management organisations;
- Establish an integrated tourism communication framework and protocol for the province that will address diffusion and fragmentation at all levels and support implementation of the adopted provincial Institutional Framework;
- Manage ongoing dialogue with internal and external stakeholders through various channels whilst positively promoting GTA's image, values, goals and achievements;
- Raise awareness of the strengths of Gauteng as a preferred destination and the products, destinations and experiences which represent those strengths;
- Add value to GTA marketing campaigns and programmes through proper strategies, systems and procedures for product and campaign launches, promotions, editorial generation and journalist familiarization;
- Raise awareness of the benefits of tourism to the local citizens;
- Develop and implement an implementation plan to provide for ongoing implementation, monitoring and evaluation;
- Build and strengthen the GTAs internal Corporate Communications capacity and provide PR support to internal user groups.

## **PROJECT MANAGEMENT AND CO-ORDINATION**

A steering committee made-up of both internal and external stakeholders will be constituted to drive the development and implementation of the project. The appointed service provider will be expected to regularly meet with, and report to, the steering committee as well as to GTA Senior Management.

## **PROJECT TERMS OF REFERENCE**

Development and implementation of a Corporate Communications Strategy with specific reference to:

- An Internal Communications Strategy and Implementation Plan, including the development of manuals, guidelines and toolkits;
- An External Communications Strategy and Implementation Plan including, but not limited to, a Trade Communications Strategy (covering all relevant retail and wholesale channels and subsectors) as well as Tourism Communications Framework and Protocol for regional integration and alignment;
- A Media Relations Strategy and Implementation Plan;
- A Crisis Communications Strategy and Implementation Plan;
- Implementation of programmes and campaigns as identified in the Strategy;
- Ad hoc provision of PR services and campaign management;
- A Monitoring and Evaluation Framework

In carrying out the above, the broad scope of work will include:

- Provision of secretariat services to the steering committee;
- Investigate and report on international and national best practice case studies as applied by successful destination management and marketing organisations;
- Strategy development including management of stakeholder participation;
- Development of generic guidelines and terms of reference aimed at the integration of regional communications functions;
- Comprehensive capacity review and recommendations around capacity enhancement;
- Comprehensive Implementation and Action Plans;
- Implementation and actioning of campaign plans;
- Ad hoc provisioning of PR services;
- Development of proposals for the monitoring and evaluation of the implementation of the proposed strategy.

## METHODOLOGY AND TIMEFRAMES

All proposals must include the research methodology to be employed by your organisation. Also provide a breakdown of the estimated time requirements for each of the deliverables and phases.

## TENDER AND PROCUREMENT PROCEDURES

All proposals must be in accordance with the GTA Supply Chain Management Policy, a copy of which is available on request and must be applied for in writing from Lungi Morrison at [lungi@gauteng.net](mailto:lungi@gauteng.net) fax: (011) 639-1700 or tel: (011) 639-1600.

## SUBMISSION OF PROPOSALS

The closing date for the submission of all tender documents is **12:00 noon, Monday, 11 December 2006**.

***Please Note: Agencies who have previously submitted are not required to re-submit.***
