REQUEST FOR BIDS: TENDER IPO/12/2007—FAIS—FIT AND PROPER: NATIONAL LEARNING DELIVERY PROGRAMME

This RFB replaces the previous FAIS RFB advertised on 13 May 2007.

Any bid submitted in response to the previous RFB does not automatically qualify or come into consideration for this RFB.

Any interested party that previously submitted a bid may respond to this RFB, but must submit a new response addressing the requirements of this revised RFB.

The Insurance Sector Education and Training Authority (INSETA) invites suitably qualified providers to submit a proposal for consideration, to be appointed subject to the provisions of this RFB that can provide an opportunity to each Broker/Financial Advisor (FA), Agents or Intermediaries to be able to achieve their outstanding or remaining credits, by 31 December 2008 (or for new entrants into the sector, annually thereafter until 2009) through two national assessment opportunities. This will comprise writing an assessment set, moderated by an external examining panel, and quality assured by INSETA, or undergoing Recognition of Prior Learning assessment and moderation, which is quality assured by INSETA.

The currently accredited providers must be given a basic curriculum and a set of learning material as well as a guide to setting an assessment tool, and a Recognition of Prior Learning assessment tool per qualification and NQF level. This will be done to ensure that each Broker, FA, Agent or Intermediary who undergoes learning at any provider site, will have the opportunity to be prepared for the national assessment in line with the minimum acceptable standards required by INSET, in terms of the knowledge, skills and competence required in the registered qualifications.
