CIDB

development through partnership

CIDB REGISTRATION IS SERIOUS BUSINESS FOR SERIOUS CONTRACTORS—MAKE IT HAPPEN

Only contractors who are registered with the Construction Industry Development Board (cidb) may be awarded construction contracts by the public sector clients.

The cidb receives thousands of applications every month for new registrations, annual updates and for three year renewals. It pays a serious contractor to ensure that his or her application is compliant. Eighty per cent of all applications received by the cidb are non compliant, causing serious delays to registration.

A compliant application is an application that has all the correct contact details of the contractor, full particulars of the business and supporting documentation.

That way the cidb can contact the applicant without delay, verify information and check the contractor's credentials for a speedy assessment and grading process.

Please refer to the application form as well as our comprehensive checklist of requirements for applications in all grades. The checklists accessible on the cidb website as well as all four Construction Contact Centres located in:

	Physical address	Tel. Number
Western Cape	140 Long Street, cnr Long and Dorp Streets, Cape Town	0861 927 222
