9. Change Management Subproject: 01-12-2007 CM.

This Request for Proposals concerns the implementation of the ODP's proposed redesign of the SIU by means of the specifically designed roadmap.

Proposals are hereby invited from service and solution providers who are able to assist the SIU in the implementation of the said roadmap in the migration from the SIU's existing to the new project focused infrastructure, systems, work force and processes.

The SIU invites submissions for:

- (1) The implementation of all the sub-projects mentioned below, as a comprehensive and all-inclusive solution/project. Alternatively, submissions are invited for discrete proposed implementation solution for one, more or all of the sub-projects mentioned below; and
- (2) an implementation partner that will manage the overall implementation of the entire project, including all its sub-projects.

1. Sub-project: Project Management Office

a. Establishment of a functional and effective Project Management Office to regulate and oversee all operational projects and interface with other front and back office divisions—required capabilities *inter alia* include:

- Scheduling;
- Financial controls;
- Quality and Risk Management;
- Project Administration;
- Knowledge and Information Management;
- Management Information Systems;
- Performance Management; and
- Skills Audit Mechanisms.

b. Skilled personnel or specialist consultancy services through body shopping services.

2. Sub-project: Projects Director's Office and Centres of Expertise

a. Developing the Project Director's capability, *inter alia* with regard to:

- The strategic management of the entire front office.
- Overall oversight capability of all operational projects in the SIU; and
- Coordinating the establishment/development of the SIU's programme management capability and Centres of Expertise in line with the ODP proposal.

b. Skilled personnel or specialist consultancy services through body shopping services.

3. Sub-project: Overall Information and Communication Technology ("ICT") Management Solution: An ICT solution that will ensure access, security, delivery and storage of data, along with a knowledge management solution that encourages dialogue and increased communication by way of sharing best or good practices as well as the set-up of a functioning ICT related body shop of suppliers and service providers that the SIU may use in the phased procurement of Information Management and Information Technology Solutions that will enable the SIU's future business processes along with all the related technology components, thereby enabling the SIU's shift to a projects focused model (including hardware and software) and services, along with the sustainable automation of processes.

4. Sub-project: Training and Development (T & D)

a. The review and assessment of the SIU's T & D Blueprint and appointment of training providers in line with the SIU's T & D Blueprint, which will be able to provide specialist and SIU specific training as part of a complete employee training and development programme.

b. An integrated performance management solution aligned to the ODP organisational design and job descriptions.

5. Sub-project: Human Resources

a. An end-to-end SIU Human Resources review in keeping with best practice models, including but not limited to a skills audit assessment solution, employee recruitment, compensation management, employee relations, termination management, career and succession planning, time and attendance, performance assessment, employee retention and assistance with the recruitment of staff for new or vacant positions.

b. The establishment and appointment, through a procurement process compliant with the SIU's Supply Chain Management policy, of a Resource Recruitment Agency, *inter alia*, to:

- establish a database of available specialist skills in keeping with the ODP proposals for all the positions (permanent, contract or temporary) available within the SIU, from which the SIU can draw human resources on short notice;
- provide high level specialist skills to the SIU, on short notice and to conduct head hunting exercises to make high level appointments; and
- co-ordinate and standardise the SIU's use of temporary employment agencies and personnel, strategically aligning the SIU in adopting the various outsourcing, or in sourcing models.

6. Sub-project: Communications: Development and implementation of a Communications Strategy for the SIU, encompassing both an internal and external communication department, by implementing a framework and solutions, along with all the operating procedures, business processes required to operate and maintain such a department, while enhancing the SIU's public image.

7. Sub-project: Change Management Solution

a. A Change Management Solution, to prepare employees of the SIU for the changes to their work environment because of the overall implementation process, thereby easing the transition to the new structures and processes.

b. High-level HR Consultant that will interact with staff at all levels and liaises with the Executive on key Employee Relations or HR issues that requires redress.

Interested parties are encouraged to submit a proposal for the entire project (i.e. the Implementation Partner and all seven sub-projects), or a separate proposal for:

- (1) the Implementation Partner; and
- (2) each one or more of the sub-projects.

Proposal shall be evaluated and adjudicated upon according to the criteria set out in written Terms of Reference ("TOR"), containing the detailed requirements, terms and conditions of the SIU, which are available for collection during normal SIU office hours from the date and at the collection address mentioned below. Interested persons must note that the charge for each set of the relevant documents issued by the SIU to interested parties is R200 (excl VAT), which shall be non-refundable.

Mandatory briefing session: Apart from collecting the TOR and related documents, all interested parties must attend a mandatory briefing session at the collection address, mentioned below, on 24 January 2008, commencing from 10h00.

Closing date for submission of proposals: All interested parties must lodge their written proposals in sealed envelopes, as directed in the TOR, in the designated bid box at the collection address, mentioned below, not later than 11h00 on 11 February 2008, to avoid the summary rejection of their proposals.

Collection address: The TOR shall be available for collection as from 11 January 2008 at the SIU, Ground Floor, East Wing, Rentmeester Park, 74 Watermeyer Street, Meyerspark, Pretoria, 0184. Soft copies (electronic version) of documents can be requested from the e-mail address provided below.

Office hours: Monday to Friday 08h00 to 16h00 (excluding public holidays).

Enquiries: Ms Tinny Matsimela: Tel: (012) 843-0000. Fax: (012) 843-0114/5. E-mail: tmatsimela@siu.org.za

NO EXPECTATION: Notwithstanding anything stated in this notice, the procurement of the stated services will be at the SIU's sole and absolute discretion. The SIU reserves the right, not to accept any proposal, unilaterally to amend/supplement the specifications on the basis of which this invitation for proposals is made, to request respondent service providers to make presentations, to negotiate with all interested parties and/or the right not to accept any proposal or award a contract to any party. The SIU shall not be required to furnish any reasons for decisions taken in this regard. Nothing in this notice or in the actions of the SIU, the Head of the SIU, its members, agents or employees must be construed as creating any expectation, legitimate or otherwise, regarding matters dealt with in this notice.

THE NATIONAL ENERGY REGULATOR (NERSA)

The National Energy Regulator (NERSA) is a regulatory authority established as a juristic person in terms of section 3 of the National Energy Regulator Act, 2004 (Act No. 40 of 2004). NERSA's mandate is to regulate the electricity, piped-gas and petroleum pipelines industries in terms of the Electricity Regulation Act, 2006 (Act No. 4 of 2006), Gas Act, 2001 (Act No. 48 of 2001) and Petroleum Pipelines Act, 2003 (Act No. 60 of 2003) and the Petroleum Pipelines Levies Act, 2004 (Act No. 28 of 2004). The governance structure of the Regulator consists of nine members, five of whom are part-time and four are full-time, including the Chief Executive Officer (CEO). The Regulator is supported by a secretariat under the direction of the CEO.

NERSA invites requests for proposals from suitably qualified entities to:

1. Develop a compliance monitoring framework for licensed Electricity Generators in South Africa.
2. Conduct the independent technical audits on licensed Electricity Generators in South Africa.

In order to conduct the technical audits, interested entities need to have a good understanding of the electricity generation industry and should also demonstrate to NERSA their ability to successfully conduct the audits as described in the terms of reference.

A detailed terms of reference document for the audits is available on the NERSA website: www.nersa.org.za/Procurement/Tenders. For further information, please contact Mr. Mpho Nuku at (012) 401-4794 or e-mail: mpho.nuku@nersa.org.za or Mr. Lucky Ngidi at (012) 401-4635 or e-mail: lucky.ngidi@nersa.org.za

Closing date: 8 February 2008.
