The Construction Industry Development Board (CIDB) is a Schedule 3A public entity established in terms of CIDB Act 38 of 2000 to provide leadership to stakeholders for sustainable growth, reform and improvement of the construction sector and the industry's enhanced role in the country's economy.

The CIDB is setting up additional Construction Contact Centres in different areas to create a local presence in the provinces and for outreach services on the Register of Contractors, the Register of Projects, Procurement Reform and other cidb programmes and services.
