Request for proposals ("RFP") and invitation to apply for registration, accreditation and participation in the SIU's Database of accredited/approved forensic service providers:	Gauteng	SIU01/02/2010	2010-03-05	874	874

The Special Investigating Unit ("SIU") intends to establish a panel/list of accredited/approved service providers of multi-disciplinary forensic services, which panel/list will be updated on a quarterly basis and reviewed on an annual basis.

From time to time and on a national, provincial and local basis, the SIU needs to supplement its own in-house forensic investigative resources by sourcing-in persons (e.g. project managers, forensic accountants/auditors, forensic lawyers/prosecutors, forensic investigators, forensic data analysts and cyber forensic experts etc.) well-skilled and experienced in conducting multi-disciplinary forensic investigations (collectively called "forensic professionals").

Under the database of accredited/approved forensic service providers, the SIU will be allowed to source-in forensic professionals, on a re-occurring, fixed-term, temporary, casual and/or *ad hoc* bases, from any one or more of the accredited/approved forensic service providers, to work for and assist the SIU in conducting its forensic investigations.

A two-stage evaluation process will be applied; the first stage will be on quality for accreditation/approval to be listed on the SIU's database of accredited/approved forensic service providers. The second stage will be based on equity and written price quotations, requested from time to time.

Assignments may be awarded, from time to time, to services providers registered/listed on the SIU's database of accredited/approved forensic service providers based on an evaluation of the type and level of skills required, qualifications, experience, acceptability, resources, geographical proximity to where the services are required and costs indicated.

Further, the SIU will endeavour to promote the HDI equity ownership principles of the Preferential Procurement Regulations, 2001, and/or the Broad Based Black Economic Empowerment Act (as applicable).

Interested service providers must be prepared, able and agree to:

(a) submit written price quotations and declarations of availability of forensic professionals, in response to requests received from the SIU, from time to time;

(b) make one or more of their forensic professionals available, at relatively short notice(s) and for extended periods of time [at least until certain milestones in the investigation project(s) has been reached];

(c) render services and make forensic professionals available to the SIU at a tariff that would be in the vicinity of their actual cost-to-their-firms (the so-called "cost-to-company" tariff);

(d) submit to the SIU a comprehensive database of all the forensic professionals that may be available for assignment to the SIU. The database must include a comprehensive CV of each forensic professional, including his/her qualifications, skills, expertise, experience, previous work assignments, current cost-to-company tariff, the province and town in which he/she is currently stationed and his/her indicative short and medium term availability for assignment to the SIU, which database must be update no less frequently than every quarter; and

(e) require from each forensic professional assigned to the SIU to:

(i) accept a temporary or *ad hoc* appointment as a member of the SIU and subject him/herself to the authority and control of the SIU;

(ii) accept, abide, submit to and fully comply with and pass the SIU's strict fidelity, confidentiality, security and internal integrity vetting and testing measures, which may include a full disclosure to the SIU of all his/her business and financial affairs and interests;

(iii) take an oath or affirmation of fidelity and secrecy, as provided for in Regulation 3 (2) of the regulations issued in terms of section 11 of Act No. 74 of 1996 and set forth in Notice No. R360 of Government Gazette No. 25024, dated 14 March 2003, as supplemented with instructions by the SIU, from time to time.

Documents: An application for registration as a supplier/service provider on the SIU's database must be completed and submitted on the official SIU forms (such forms may not be retyped or changed in any way). Official application forms are available, free of charge, for download from the SIU's website: <http://www.siu.org.za> under the headings: "News" and "SCM documentation", or can be requested from Ms Van Wyngaarden, as referred to under enquiries, below. The General Conditions of Contract ("GCC") as prescribed by National Treasury will apply to all applications received and subsequent special condition contracts that may be concluded with successful service providers.

Please complete form:

(a) SCDB1 electronically, and e-mail it to scmdatabase@siu.org.za; and

(b) SCDB2 and submit the hard copy with all the relevant documentation, as requested in that form, along with your proposal(s) to the SIU at the address set out in the tender bulletin.

Enquiries: Ms Mariska van Wyngaarden, Tel: (012) 843-0000/0054. Fax: (012) 843-0166. E-mail: scm@siu.org.za

NB: All enquiries must be in writing. Consequently, telephonic enquiries will not be entertained.

No expectation

Notwithstanding anything stated in this notice, the accreditation/approval of the service providers and the subsequent procurement of the stated services will be at the SIU's sole and absolute discretion. The SIU reserves the right, not to accept any application for registration and accreditation, unilaterally to amend, withdraw or supplement the database of accredited forensic service providers, to request respondent service providers to make presentations, to negotiate with all interested parties and/or the right not to grant approval for accreditation to any of the service providers or grant accreditation (in full or in part, conditionally or unconditionally) to any service provider. The SIU shall not be required to furnish any reasons for decisions taken in this regard. Nothing in this notice or in the actions of the SIU, the Head of the SIU, its members, agents or employees must be construed as creating any expectation, legitimate or otherwise, regarding matters dealt with in this notice.
