## NATIONAL POSTAL CENTRE: SOUTH AFRICAN POST OFFICE (SAPO)

### IMPORTANT SAPO TENDER ANNOUNCEMENT

The National Postal Centre, located at 497 Jacob Mare Street, Pretoria, acts as the Head Office for the South African Post Office. SAPO has taken a strategy decision to relocate its headquarters and have entered into an operational lease at Eco Point in Centurion for 10 years with an option for permanent occupation.

The current head office was originally built as a mail centre and converted into an office complex in 2002. It was re-designed to accommodate 802 staff at the time of occupation. The new complex has a space capacity of 50 000 square metres and will be capable of accommodating some 1 200 employees. Occupation will be in February 2011.

In order to prepare the Eco Point premises for occupation by February 2011, SAPO will be issuing a number of Requests for Proposal (RFPs)/Quotations to the market. Due to time constraints, these RFPs/Quotations will not be advertised in the press. Rather, interested vendors/ service providers are invited to visit [www.sapo.cxo-advisor.co.za](http://www.sapo.cxo-advisor.co.za) to register (if they have not already done so). They should then follow the SAPO link for information on the RFP/Quotation opportunities. These RFPs/Quotation will be published on this site as they become available. The categories of RFPs/Quotation are:

- Furniture, fixtures and fittings.
- Labour and consulting.
- ICT infrastructure (LAN, WAN, Telephony, Audio visual, cabling, Hosted/cloud services, etc.)
- Voice and telephony.
- Video (conferencing, surveillance).
- Engineering, property, facilities and related services (UPS, generators, electrical, air-conditioning, security, building management, etc.)
- Security equipment.

All of which are associated with the intended occupation of the Eco Point premises.

The validity of each RFP/quotation will be 10 working days, unless otherwise specified where special circumstances apply.

Potential vendors/service providers are invited to register and visit the SAPO link via [www.sapo.cxo-advisor.co.za](http://www.sapo.cxo-advisor.co.za) to familiarise themselves with the RFPs/tenders currently in effect. Each RFP/tender will include full instructions on how and when to respond, and the conditions of response. Vendors are encouraged to raise questions and risks as early as possible. We are aware that timeframes are extremely tight and we are assuming that solutions can be provided which allow for quick turn-around.
