## DEPARTMENT OF WATER AFFAIRS

### REQUEST FOR EXPRESSION OF INTEREST TOURISM PPP PONGOLAPOORT DAM

#### PROJECT WP 0340 WTE

This request for Expression of Interest (EOI) is issued by the Department of Water Affairs (DWA) for the development of a tourism project at the Pongolapoort (Jozini) Dam under a possible Public Private Partnership (PPP) arrangement.

The Department of Water Affairs (DWA) is investigating the feasibility of a Public Private Partnership (PPP) in which it gives the preferred bidder rights to the commercial tourism use of Pongolapoort Dam, which includes specific portions of state land surrounding the dam. The Pongolapoort Dam is situated east of Pongola Town in Northern KwaZulu-Natal. The preferred bidder will take on the responsibilities of financing, design and construction, operations and maintenance of a large capital tourism facility as well as the management of agreements with existing and future tourism operators at the dam, for a specified period.

BID No.	DESCRIPTION	DUE DATE	BIDS AVAILABLE FROM	EMAIL, POST OR DELIVER BIDS TO
WP 0340 WTE	Expression of Interest (EOI) for the development of a tourism project at the Pongolapoort Dam under a possible PPP arrangement	31 May 2013 at 15h00	For all queries and to request the EOI Briefing Document that sets out the prescribed format for responses, please send email to ppp@lindon.co.za	Email: ppp@lindon.co.za Courier/hand delivery: Lindon Corporation, 1 Dickens Road, Umbogintwini, 4120, Durban, South Africa

As part of establishing the feasibility of this project, particularly to establish what the scale and type of market interest there is in this opportunity, DWA invites existing and prospective investors as well as tourism operators to submit expressions of interest (EOI) in the prescribed format and by the due date. If the project is deemed to be feasible, a competitive bid process will follow.

In a typical PPP agreement, the Private Party is granted rights to finance, design, build, operate and maintain a tourism facility on state land for a period likely to provide a fair return on investment. In return, the Private Party will meet agreed environmental, development, operating and BEE obligations, and pay a Concession Fee to DWA. At the end of the agreement term, the facility reverts to DWA. Potential concepts for the Pongola-poort Dam may include house-boats, accommodation and any other tourism development that may be deemed feasible and compatible with the dam and its surrounds.

Regulatory provisions for tourism PPPs can be found at [www.ppp.gov.za](http://www.ppp.gov.za)
