SPECIAL ADVERTISEMENTS

BANK SETA**Invitation to register on the BANKSETA Supplier Database**

The BANKSETA hereby invites businesses, particularly small and micro enterprises owned by women, youth and people with disabilities, to apply for registration to be included on BANKSETA's Database as prospective suppliers.

Preference will be given to registered suppliers when BANKSETA Requests for Quotations. However, it does not necessarily follow that those suppliers who are not registered will be precluded from quoting for the supply of goods and services to BANKSETA. It is envisaged that the Supplier Database will contribute to better and more efficient administration. The Supplier Database will be utilised in compliance with the Public Finance Management Act (PFMA), the prescripts of the National Treasury relating to Supply Chain Management (SCM), as well as BANKSETA's SCM Policy.

Suppliers registered on this database are by no means guaranteed contracts for goods and/or services required by BANKSETA, nor does it imply that every supplier registered on the Supplier Database will in all instances be given the opportunity to provide a quotation to BANKSETA. It does, however, enable BANKSETA's SCM department to identify potential suppliers who can be approached to submit quotations to BANKSETA for goods and/or services as and when required.

The Supplier Application form can be downloaded from the BANKSETA website at www.bankseta.org.za > Tenders > Register > Prospective Provider Application Form.

It is imperative that prospective suppliers read the registration forms carefully, complete all sections in full, sign and date the forms. An original valid (current) Tax Clearance Certificate as well as a valid, current BBBEE certificate (issued by an Accredited Verification Agency) must be submitted together with the registration form. No contract will be awarded to a supplier who has not remained compliant whilst registered on the Supplier Database.

The closing time and date for this Request to Register as a Supplier on the BANKSETA Database is 11.00 am on 31 January 2014. Submit applications to:

GOVERNMENT PRINTING WORKS

REQUEST FOR EXPRESSION OF INTEREST

Reference Number GPWPAV3/2013

1. Introduction and background

The Government Printing Works (“GPW”) is mandated to provide security printing and related services to and on behalf of the South African Government and is currently in the process of developing or converting its premises at 83 Visagie Street, Pretoria, into a high security printing facility. The purpose of this request (“Request”) is to invite suitably qualified and experienced consulting firms, consortiums or similar structures to express interest in participating in a request for tender (“RFT”) to be issued by GPW and through which GPW will request tenders for multi-disciplinary engineering and architectural services.

Only entities who would have expressed interest in accordance with this Request, and shortlisted by GPW through a short-listing questionnaire, will be issued with the RFT. The reason for this is the security sensitive nature of the information that may be contained in the RFT.

2. Services required

The entity finally appointed by GPW will be required to render to GPW multi-disciplinary building environment services consisting of, amongst other things, architectural services, quantity surveying services, civil & structural engineering services, electrical engineering services, electronic engineering services, mechanical engineering services and fire consulting services.

These services will be required in connection with the development of a sound, credible and comprehensive design (excluding Project Management services, which will be provided by the GPW) of the entire project of developing or converting the heritage structure known as Pavilion 3 into a modern security printing facility, capable of housing printing presses, ancillary equipment, storage areas, cloakrooms, etc.

3. Key requirements

Entities expressing interest are required to have experience in:

- (i) compiling comprehensive architectural documents;
- (ii) developing security details to meet the requirements of national key points within the Republic of South Africa; and

- (iii) designing and managing renovation/construction projects subject to heritage directives and with a value exceeding R50 million.

4. Expression of interest

Interested parties are invited to express their interest by sending letters (preferably on a letterhead of the entity in question) via email or by hand at the addresses mentioned below.
