### **AMENDMENT 13**

### **COMPLIANCE DOCUMENTS DURING PROCUREMENT**

#### **TRANSVERSAL CONTRACT RT15-2021 FOR THE SUPPLY AND DELIVERY OF MOBILE COMMUNICATION SERVICES TO THE STATE FOR THE PERIOD 01 APRIL 2021 TO 31 MARCH 2026**

Section 2.2 of the Practice Note Number SCM 1 of 2003 regarding the Standardised Bidding Documents (SBDs) states that these SBDs should be used with minimum changes that are necessary to address **CONTRACT** and project specific issues.

Participants are reminded that SBD forms must form part of all bids invited. National Treasury included SBD forms when inviting the market to bid for the transversal contract. Participants are **NOT** inviting bids when participating on a transversal contract, therefore Participants should not be requesting **AWARDED SERVICE PROVIDERS** to complete SBD forms when procuring from a concluded transversal contract. If a Participant is in need of the SBD forms and any other compliance documents, the Participant should request such documents from National Treasury.

Section 2.7.7 on Annexure 4 (Procurement Guideline) of the Contract Circular emphasizes the same. Participants are urged to focus on procuring fit for purpose mobile communication services from the transversal contract and eliminate any duplicated efforts that the transversal contract has considered.
