ACCOUNTING OFFICERS: NATIONAL DEPARTMENTS
HEADS: PROVINCIAL TREASURIES
CHIEF FINANCIAL OFFICERS: PROVINCIAL DEPARTMENTS
CHIEF EXECUTIVE OFFICERS / CHIEF FINANCIAL OFFICERS: CONSTITUTIONAL INSTITUTIONS / PUBLIC ENTITIES

Supply Chain Management Office
Practice Note Number SCM 3 of 2004

CHECKLIST FOR THE IMPLEMENTATION OF SUPPLY CHAIN MANAGEMENT AND MONTHLY REPORTING OF SUPPLY CHAIN MANAGEMENT INFORMATION

This practice note is applicable to all national and provincial departments, constitutional institutions and public entities as defined in schedule 3A and 3C of the Public Finance Management Act (PFMA). All accounting officers of national departments and heads of provincial treasuries are required to disseminate the contents of this practice note to all Chief Financial Officers of departments, constitutional institutions and public entities that fall under their jurisdiction.

1. The Public Finance Management Act, 1999 (Act No. 1 of 1999 as amended by Act No. 29 of 1999) and the Regulatory Framework for Supply Chain Management that was promulgated on 5 December 2003 as Treasury Regulations in terms of section 76(4)(c) of the PFMA empowers the National Treasury, in consultation with provincial treasuries, to oversee and monitor the implementation of the supply chain management function and the achievement of government’s broader policy objectives within all institutions to which the Regulatory Framework apply.

2. Paragraph 11 of the Regulatory Framework for Supply Chain Management prescribes the following regarding an institution’s responsibility in respect of reporting of supply chain management information:

“(1) The accounting officer or accounting authority of an institution to which these regulations apply must submit to the relevant treasury such supply chain management information as that treasury may require.

(2) A provincial treasury must submit to the National Treasury such supply chain management information as the National Treasury may require.
(3) Information referred to in subregulation (1) or (2) must be submitted to a relevant treasury in such format and at such intervals as that treasury may require.

3 Based on these prescripts, the National Treasury compiled and issued, a Checklist for the implementation of Supply Chain Management and a Reporting Questionnaire for Supply Chain Management Information to all institutions on 25 March 2004 and 27 May 2004 respectively.

4 Checklist for the implementation of Supply Chain Management

4.1 The purpose for the issuance of the Checklist for the implementation of Supply Chain Management, which was due to be submitted to the National Treasury by 1 June 2004, was to guide accounting officers / authorities in the implementation of supply chain management within their institutions and also to monitor their status regarding the implementation process with a view to providing assistance and guidance where necessary.

5 Reporting Questionnaire for Supply Chain Management Information

5.1 The National Treasury’s aim for the issuance of the Reporting Questionnaire for Supply Chain Management Information was to, among others, provide the Minister of Finance with consolidated reports to enable him to regularly report to Cabinet and Parliament on the progress made in the public sector procurement reform process with the focus being on Black Economic Empowerment.

5.2 Institutions were required to submit reports in respect of each contract concluded for the months of April 2004 to June 2004 by 15 July 2004, thereafter, reports were to be submitted within 15 days of the end of each month for that month.

6 The National Treasury is, however, concerned with the unsatisfactory response received from institutions on both the Checklist for the implementation of Supply Chain Management and Reporting Questionnaire for Supply Chain Management Information. Reports have not been received from majority of the institutions.

This undesirable situation makes it impossible for the National Treasury to furnish Cabinet and Parliament with a reliable report on the status on supply chain management implementation and the progress made towards black economic empowerment in the area of government procurement.

Failure of the majority of institutions to submit the required information necessitates the issuance of this practice note as an instruction to provincial treasuries, departments, constitutional institutions and public entities to submit the information timeously.

The Office of the Auditor-General has undertaken to report on compliance with the requirements of this practice note.

7 To this end, the attached supply chain management implementation checklist and information reporting questionnaires are again issued to institutions.
7.1 Institutions that have already submitted the information required in terms of the Checklist for the implementation of Supply Chain Management may submit another return if their implementation status has changed since 1 June 2004. Institutions that have not submitted the required information to date must complete and submit the checklist to the National Treasury by 15 September 2004.

7.2 Institutions that have already submitted information required in terms of the Reporting Questionnaire for Supply Chain Management Information for contracts awarded for the months of April 2004 to June 2004 must submit reports for the months of July 2004 and August 2004 by 15 September 2004. Institutions that have not submitted any reports are required to submit reports on all contracts awarded for the months of April 2004 to August 2004 by 15 September 2004, thereafter, reports must be submitted within 15 days of the end of each month for that month.

The information required must be submitted for all contracts awarded above the threshold value for verbal or price quotations. It is also recommended that the reporting questionnaire should be completed as and when each contract is concluded in order to ease the workload that may result if the questionnaire is completed only at the end of the relevant month.

8 The National Treasury envisages submitting the reports to Cabinet and Parliament by the end of September 2004. Non-compliance to the requirements of this practice note will also be captured in the reports.

9 The completed questionnaires must be submitted to the National Treasury for the attention of Mr Jan Breytenbach, Chief Director: Norms and Standards to Private Bag X 115, Pretoria, 0001 or by facsimile on (012) 326 5445 or by e-mail on jan.breytenbach@treasury.gov.za.

10 Any enquiries in this regard may be directed to Jeyrel Soobramanian or Dan Naidoo on telephone (012) 315 5336 or (012) 315 5348 respectively.

11 Your co-operation in this regard is appreciated.
