## CIDB (DEVELOPMENT THROUGH PARTNERSHIP)

### TENDER No. 2009/05

#### CALL FOR TENDERS FOR EVALUATION OF EXISTING BUSINESS MANAGEMENT COURSES FOR CONTRACTOR DEVELOPMENT

The Construction Industry Development Board (CIDB) is a Schedule 3A public entity established in terms of CIDB Act, 2000, to provide leadership to stakeholders for sustainable growth, reform and improvement of the construction sector and the industry's enhanced role in the country's economy.

The CIDB Act (Act 38 of 2000) requires the Board to establish a Best Practice Contractor Recognition Scheme which:

- (a) enables organs of state to manage risk on complex contracting strategies; and
- (b) promotes contractor development in relation to best practice standards and guidelines developed by the Board.

The CIDB Best Practice Contractor Recognition Scheme achieves this through:

- recognising the competence of contractors;
- encouraging best practice and performance improvement of contractors; and
- providing a platform for clients to reward best practice and performance improvement.

The CIDB has recognized selected Unit Standards and courses for building and construction management, technology and legislative issues. Although there are many business management courses available, very few are however suitable for the construction sector as they do not integrate construction processes appropriate for small and emerging contractors.

The CIDB requires the services of a provider who will review all available relevant business management courses and assess their suitability for recognition of competence of business management for small and emerging contractors. The service provider will also be required to make recommendations as to making relevant courses applicable to competence assessment of construction related SMME companies.

Preferences will be offered to tenderers who can demonstrate ownership and control of the tendering entity/entities by Historically Disadvantaged Individuals.

Price and quality shall be considered in the evaluation of tenders. Quality shall be determined through evaluation of the tenderer's experience in business management courses in the construction sector.

Only tenderers who fulfill the following criteria are eligible to submit tenders.

1. Submit a valid, original Tax Clearance Certificate.
2. Three (3) years experience in the construction environment.
3. Three years (3) experience in business management training.
4. Knowledge of the SAQA and SETA qualification registration protocols.

The tender documents may be collected during working hours after 09h00 on Monday, 9 November 2009 at the following address: CIDB Reception, Block N & R, SABS Campus, 2 Dr. Lategan Road, Groenkloof, Pretoria.

There is no scheduled clarification meeting. Should any clarification be required on details of the tender. Tenderers will forward their questions to Tsholofelo Mothoa at [Tsholofelom@cidb.org.za](mailto:Tsholofelom@cidb.org.za) before 20 November 2009 upon which a response will be compiled and send to all tenderers by 27 November 2009.

Queries relating to the issuing of these documents may be addressed to Tsholofelo Mothoa, Fax No. 086 681 6954 or E-mail: [Tsholofelom@cidb.org.za](mailto:Tsholofelom@cidb.org.za)

The closing time for receipt of tenders is 11h00 on 9 December 2009.

Telephonic, telegraphic, telex or e-mailed tender offers will not be accepted.

Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data.
