### Aim

*The aim of Parliament is to provide the support services required by Parliament to fulfil its constitutional functions, to assist political parties represented in Parliament to secure administrative support and service constituents, and to provide members of Parliament with the necessary facilities.*

### Mid-year performance status

Indicator	Programme	Outcome	Annual performance		
			Projected for 2010/11 as published in the 2010 ENE	Achieved in the first six months of 2010/11 (April to September)	Changed estimate for 2010/11
As published in the 2010 ENE	Programme linked to the indicator	Outcome the indicator is linked to (if relevant)			
Number of bills passed per year	Legislation and Oversight	Promote nation building	40	5	-
Number of questions put to the executive per year	Legislation and Oversight	Promote nation building	2 700	2 113	-
Number of annual reports tabled and scrutinised by committees	Legislation and Oversight	Promote nation building	270	0	-
Number of oversight visits undertaken by committees per year	Legislation and Oversight	Promote nation building	50	47	-
Number of debates held for the public consideration of issues per year	Public and International Participation	Promote nation building	30	85	-
Number of visitors to Parliament per year	Public and International Participation	Promote nation building	24 000	6 328	-
Number of international agreements adopted per year	Public and International Participation	Promote nation building	50	33	-

Annual reports were tabled as planned, but they are still being considered by committees.

The number of oversight visits undertaken by committees on the environment and science and technology has increased due to the need to address global warming issues. The estimate will be revised in the 2011 ENE process.

The number of visitors to Parliament is significantly lower in the first half of 2010/11, perhaps because the majority of visitors are pupils and their visits may have been affected by the prolonged public service strike.

## Mid-year progress

All the work done by Parliament contributes to the 12 national outcomes and promotes nation building.
