

Vote 19

Social Development

Amount to be appropriated	Main appropriation R4 548 410 000	Adjusted appropriation R4 598 575 000	Decrease	Increase R50 165 000
Responsible minister	Minister of Social Development			
Administering department	Department of Social Development			
Accounting officer	Director-General of Social Development			

Aim

The aim of the Department of Social Development is to ensure the provision of comprehensive social protection services against vulnerability and poverty within the constitutional and legislative framework, and create an enabling environment for sustainable development. The department further aims to deliver integrated, sustainable and quality services in partnership with all those committed to building a caring society.

Changes to programme purposes and measurable objectives

No changes were made to programme purposes and measurable objectives.

Details of adjustments to 2004 Estimates of National Expenditure

Roll-overs – R10,165 million

Programme 3: Grant Systems and Administration

R1,368 million has been rolled over for paying out claims for emergency social relief. The processing of outstanding claims could not be finalised before the end of 2003/04.

Programme 6: Children, Families and Youth Development

R1,180 million has been rolled over for payments to the Government Communication and Information System (GCIS) for marketing and communications projects for the International Year of the Family that have not been completed.

Programme 7: Poverty Alleviation

R7,017 million has been rolled over for payments to GCIS for late claims from provinces for the costs of contract staff for communication and marketing strategies.

Programme 8: HIV and Aids

R600 000, unspent on the national portion of the HIV and Aids conditional grant, has been rolled over to finalise research projects on antiretroviral support to children and parenthood for orphans and vulnerable children, and other incomplete projects.

Unforeseeable and unavoidable expenditure – R40 million

Programme 3: Grant Systems and Administration

R40 million has been allocated for improving the integrity of the grant system, in particular for implementing immediate steps to stem unwarranted growth in access to disability grants

conditional on agreement of a business plan and business processes with National Treasury. This is done in the context of the continuing rapid and unexpected growth in disability grants.

Virement

Funds shifted within a programme

Programme 7: Poverty Alleviation

R8 million was shifted from goods and services to compensation of employees to make provision for contract workers appointed to assist both the national and the provincial departments of social development with the roll-out of the food emergency relief programme.

Programme 8: HIV and Aids

R1,250 million was shifted from goods and services to transfers to national NGOs for HIV and Aids projects.

R200 000 of the approved roll-over funds were shifted from goods and services to transfers to NGOs for outstanding payments to NGOs.

Actual expenditure and revised spending projections for the remainder of the financial year
