Of these, 137 were completed, but only 73 (or 28 per cent) were completed within the target of 90 days. 379 investigations of cases of deaths as a result of police action for investigation were being undertaken in the same period. Of these, 105 cases were completed, but only 73 (or 19 per cent) were completed within the target of 90 days. Failure to meet the 90-day target in both categories was due to capacity constraints within the directorate.
