within the first half of the financial year. Only 6 exercises will be conducted in 2014/15, as 3 exercises have been cancelled. The number of force employment hours flown and sea hours on patrol in South African maritime zones and in international waters is expected to increase over the next six months. The target for reserve force person days will be increased to 2 871 852 due to the increased requirement of forces for the African Capacity for Immediate Response to Crises and for border safeguarding.
