### Mid-year progress

In the first six months of the financial year, 14 municipalities were provided with technical assistance to upgrade informal settlements against an annual target of 41, and only 87 out of 446 targeted informal settlements have settlement upgrading plans. This slow performance is mainly due to delays in appointing new professional resource teams under the national upgrading support programme.

In the first quarter of 2017/18, the department completed 13 850 housing subsidy units against an annual target of 113 341, for which 4 896 title deeds were registered. A further 10 148 title deeds were delivered in the first quarter to address the historic backlog from before 2014. By the end of June, 25 130 households in

informal settlements against an annual target of 189 039 had been upgraded, and 451 affordable rental housing units delivered out of a target of 13 920 for the year.

In the first five months of 2017/18, the department disbursed 708 finance-linked individual subsidies to beneficiaries out of the annual target of 17 231.

## Revenue trends for the first six months of 2017/18

Revenue in the first six months of 2017/18 was R229 000, or 50.7 per cent of the adjusted revenue estimate of R452 000 for the year. In comparison, mid-year revenue in 2016/17 was R339 000, or 44.4 per cent of the 2016/17 adjusted estimate. Compared to the first six months of 2016/17, revenue over the same period in 2017/18 decreased by R110 000, or 32.4 per cent. This is mainly due to a once off spike in funds recovered from staff for damages to vehicles and the loss of assets in 2016/17.
