

Errata: 2018 Budget Review

Please note the following errata in the printed version of 2018 Budget Review, tabled on 21 February 2018. (These changes have been effected on the electronic version available on the web)

Chapter: 4 - Revenue trends and tax policy

Page: 44

Paragraph: 3

Incorrectly reflected as:

“South Africa’s VAT system includes 19 basic food items that are zero-rated – in other words, they are exempt from VAT. These include dried beans, samp, maize meal and rice.”

To be reflected as:

“South Africa’s VAT system includes 19 basic food items that are zero-rated. These include dried beans, samp, maize meal and rice.”
