**MEMORANDUM ON THE OBJECTS OF THE DIAMOND EXPORT  
LEVY (ADMINISTRATION) BILL, 2007**

**1. OBJECTS OF BILL**

1.1 This Bill introduces administrative provisions to the Diamond Export Levy Bill. All importers and exporters of unpolished diamonds must register with the South African Revenue Service. These importers and exporters (hereinafter referred to as registered persons) include producers, dealers, diamond beneficiators (cutters) and persons holding an export permit granted by the Regulator. Registered persons must pay the export levy twice per year (i.e. roughly every 6 months).

Registration is critical to the administration of this Bill. Most diamond smuggling stems from record defects at the importer/exporter level. Once a diamond is officially recorded, smuggling that diamond offshore presents a far greater compliance risk. Hence, compelled registration at the importer/exporter level initiates an audit document trail that is easily traceable, thereby deterring illegal activities.

**SUMMARY OF BILL**

**Registration: Clause 2**

The Commissioner generally has the freedom to determine the registration process of registered persons. The law mandates that registration occur within 45 days after the date that a person becomes a producer, dealer or diamond beneficiator or a holder of an export permit granted by the Regulator.

**Cancellation of registration: Clause 3**

The Commissioner may cancel registration upon application. Cancellation occurs on the date after that a registered person ceases to be a producer, dealer, diamond beneficiator or a holder of an export permit granted by the Regulator.

**Returns and assessment periods: Clause 4**

Registered persons must submit 6-monthly returns. The actual return plus payment must be submitted 30 days after each 6-monthly assessment period.

**Payment of levy: Clause 5**

Registered persons must submit payment of the levy within 30 days after the end of each assessment period.

**Form, manner and place determined by the Commissioner: Clause 6**

The Commissioner controls the administration of returns, forms, payments and elections.

**Maintenance and records: Clause 7**

Like all tax acts, registered persons submitting 6-monthly returns must retain sufficient books and records for the Commissioner to verify compliance. These books and records must be maintained for a minimum of 5 years.

**1.3 Clauses 8 to 9 of Part III—**

**Election procedure: Clause 8**

For purposes of bolstering South Africa's efforts at becoming a major diamond hub, all unpolished diamonds purchased at a diamond exchange and export centre from a registered person that has made an election under this section are exempt from the levy upon exportation.

**Penalties: Clause 9**

If a registered person fails to satisfy its election requirements, that person's purchased diamonds at a diamond exchange and export centre will be subject to a levy.

**Assessments to re-determine, re-calculate and estimate amounts: Clause 10**

The Diamond Levy operates as a self-assessment system. A notice of assessment triggers an additional 30-day liability for payment (subject to objection and appeal).

**Reduced assessments: Clause 11**

The Commissioner has the power to reduce assessments without the formal objection and appeal process. This power similarly exists in the Income Tax and Value-added Tax Acts.

**Withdrawal of assessments: Clause 12**

The Commissioner has the power to withdraw assessments without the formal objection and appeal process. This power similarly exists in the Income Tax and Value-added Tax Acts.

**Time limit for assessments: Clause 13**

The Diamond Export Levy has a 5-year time limit for assessments. This 5-year period begins to toll only after the submission of a return to which that assessment period relates. Hence, if no return is submitted, the time limit for assessment continues indefinitely. Moreover, even if a return is submitted, the 5-year does not apply if the Commissioner has reason to believe that failure to pay the levy stems from fraud, misrepresentation or non-disclosure of material facts.

**Refunds: Clause 14**

Registered persons may claim refunds for overpayments. Refunds have a 5-year time limit.

**Interest: Clause 15**

Both the Commissioner and registered persons are eligible for interest to the extent of underpayments and overpayments, as the case may be. This interest is calculated on a monthly basis. The interest rate is calculated in accordance with the rate required by section 1 of the Income Tax Act, 1962 (Act No. 58 of 1962).

**Division of responsibility: Clause 16**

The Commissioner is generally responsible for administering the Diamond Export Levy. However, the Regulator will be responsible for assisting the Commissioner on issues requiring diamond expertise.

**Applicability of the Income Tax Act: Clause 17**

Administrative processes falling within the purview of the Diamond Export Levy are covered by reference to the Income Tax Act, 1962 (Act No. 58 of 1962). The Commissioner and the Regulator must freely share information for enforcement of the Diamond Export Levy. Lastly, decisions by the Commissioner are subject to objection and appeal.

**Rules: Clause 18**

The Commissioner may make rules with respect to any matter necessary to administer the levy.

**Act binding on State and application of other laws: Clause 19**

The Diamond Export Levy will be determined solely by its terms without reference to any other Act (unless that other Act makes specific mention of the Diamond Export Levy).

**Short title and commencement: Clause 20**

The Diamond Export Levy (Administration) will come into operation on a date set by the Minister of Finance. This discretionary date will ensure that operation of the Diamond Export Levy coincides with the existence of supporting administration apparatus (including the apparatus relating to the State Diamond Trader).

**Schedule***a. Amendments to Diamonds Act*

Sections 2, 3, 6, 7, 8 and 9 — The current version of the Diamonds Act does not contain administrative provisions that address the regulation of unpolished diamond imports. This Bill introduces administrative amendments that match the Diamonds Act export system and abide by the Kimberly Process Certification Scheme.

Section 4—Consistent with current practice, section 64 of the Diamonds Act (Deferment of payment of export duty) will allow a person to export an unpolished diamond free from both the bourse tendering requirements of section 48A of the Diamonds Act and the levy if that diamond is exported solely for marketing purposes.

Section 5—The Diamond Export Levy Bill fully replaces all diamond levies required by the Diamonds Act. Therefore, all diamond levies imposed by the Diamonds Act will be removed, including the 15 percent export levy as well as the fee to maintain the State Diamond Board.

*b. Amendments to the Diamonds Second Amendment Act*

Section 1—The Levy Act exempts from the levy any unpolished diamond that was purchased at a diamond exchange and export centre from a person that has made an election in terms of section 7 of this Act. This amendment contains ancillary provisions that accommodate the relief measures described in Part IV of the money Bill to this Act.

**2. PERSONS AND INSTITUTIONS CONSULTED**

The provisions contained in this Bill were published for public comment on the National Treasury website. Comments were received from interested parties. These included professional bodies and business institutions.

**3. FINANCIAL IMPLICATIONS FOR STATE**

The financial implications for the State will be provided for in the budgetary process.

**4. CONSTITUTIONAL IMPLICATIONS**

None.

**5. PARLIAMENTARY PROCEDURE**

5.1 The State Law Advisers, The National Treasury and the Department of Minerals and Energy are of the opinion that this Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution, as it contains no provisions to which the procedure set out in section 74 or 76 of the Constitution applies.

5.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional committees.
