Explanatory Memorandum to the Municipal Allocations set out in Schedules 4, 6 and 7

This *Gazette* is published in terms of the 2007 Division of Revenue Act (Act No. 1 of 2007) and provides information on additional allocations and adjustments to existing allocations to municipalities in the 2007/08 national financial year.

This is necessitated by the need to allocate funds that have been rolled over in terms of section 22 of the 2006 Division of Revenue Act (Act No. 2 of 2006) and the need to allocate additional funds to municipalities, as approved in terms of the 2007 Adjustments Appropriation Bill (Bill No. 41 of 2007). It is also necessitated by the need to re-allocate funds in terms of section 27 of the 2007 Division of Revenue Act (Act No. 1 of 2007).

This *Gazette* therefore updates information that was originally published in *Government Gazettes* No. 29 797 of 14 April 2007 and No. 30 264 of 7 September 2007. The introductory information provided in the former gazettes thus applies equally to this *Gazette*, and is not repeated here.

This notice affects the following grant programmes:

- a) Water Services Operating and Transfer Subsidy (Augmentation to the Water Trading Account) grant:
 - In compliance with section 21 of the 2007 Division of Revenue Act (Act No. 1 of 2007), the national Department of Water Affairs and Forestry technically move allocations to the value of R31.9 million, from Schedule 7 to Schedule 6, following the finalisation of transfer agreements with certain municipalities.
 - A further amount of R78.5 million was added to the Water Services Operating and Transfer Subsidy grant as an addition to the baseline.
- b) A new grant is introduced for an amount of R100.0 million to deal with disaster funding relating to drought relief to municipalities affected by the 2007 drought. The grant will be administered by the national Department of Water Affairs and Forestry.
- c) The national Department of Water Affairs and Forestry shift funds between municipalities for the Backlogs in Water and Sanitation at Clinics and Schools grant (in-kind allocation). The department is making amendments to the allocations as published in *Government Gazette* No. 30 264 of 7 September 2007 for Schedule 7 grants.
- d) The allocation of R28.0 million unallocated funds under the Public Transport Infrastructure and Systems grant, is now allocated to Rustenburg and Polokwane municipalities, R18.0 million and R10.0 million respectively.
- e) Local Government Restructuring grant: Roll-over of R180.0 million from the 2006/07 to 2007/08 financial year.

- f) Municipal Infrastructure grant (MIG):
- An amount of R817.7 million is rolled-over to 2007/08. Of this, R513.2 million is for municipal infrastructure projects and R304.5 million for funding of disaster management projects.
 - An additional allocation of R180.9 million is provided for municipalities in KwaZulu-Natal following storms and tidal surge incidents.
 - R6.9 million is allocated to the West Coast District Municipality for the floods that occurred in that area between the periods 6 June to 26 June 2007.
- g) The national Department of Minerals and Energy and Eskom are re-allocating funds between municipalities, under the National Electrification Programme. Slow spending by municipalities and unavailability of houses to electrify was the main reason for the decision to re-allocate between municipalities.
- h) The 2010 FIFA World Cup Stadiums Development grant, administered by the national Department of Sport and Recreation South Africa, is increased by an amount of R1.9 billion. The amount has been brought forward from the 2008/09 financial year.
- i) The Neighbourhood Development Partnership grant administered by the National Treasury is reduced to R295.0 million due to requests to have it downsized in the mid year review process.

Municipalities are requested to effect adjustments to their projections of grant income from these programmes accordingly, through the passing of a municipal adjustments budget.

Notes:

NDPG in-kind contributions to plan for capital investment in under-developed areas.

Municipalities to ensure project readiness and compliance with DoRA. Comprehensive and integrated planning aspects to be addressed.

Benefiting municipalities as reflected in the table does not imply direct transfers. This is a grant-in-kind and associated transfers are subject to agreements per project.

The funding indicated per municipality may reflect more than one project to be planned and/or implemented.

Funds allocated reflect first phase projects. Due to lengthy lead times for planning and lack of implementation readiness many project funds have been earmarked to address implementation readiness.

The 2008/09 and 2009/10 allocations are subject to the outcome of project planning processes.

Notes:

NDPG in-kind contributions to plan for capital investment in under-developed areas.

Municipalities to ensure project readiness and compliance with DoRA. Comprehensive and integrated planning aspects to be addressed.

Benefiting municipalities as reflected in the table does not imply direct transfers. This is a grant-in-kind and associated transfers are subject to agreements per project.

The funding indicated per municipality may reflect more than one project to be planned and/or implemented.

Funds allocated reflect first phase projects. Due to lengthy lead times for planning and lack of implementation readiness many project funds have been earmarked to address implementation readiness.

The 2008/09 and 2009/10 allocations are subject to the outcome of project planning processes.

Part 2: Additional, Revised and Amended Frameworks for Conditional Allocations

Frameworks for Conditional Grants to Provinces

Detailed additional frameworks and amendments to current frameworks for Schedule 4 and 5 grants to provinces

Introduction

This part provides a brief description of the frameworks for the additional grants (Agricultural Disaster Management grant (Agriculture) and Transitional grant: North West (National Treasury)) set out in Schedules 4 and 5 of this *Government Notice*.

In addition, the frameworks for the Health Professions Training and Development grant (Health), Hospital Revitalisation grant (Health) and the National Tertiary Services grant (Health) omitted in the previous *Government Gazette* publication of 14 April 2007 (No. 29 797) are also included in this *Government Notice*.

The following are key areas considered for the aforementioned grants:

- Purpose and measurable objectives of the grant
- Conditions of the grant (additional to what is required in the Act)
- Criteria for allocation between provinces
- Rationale for funding through a conditional grant
- Monitoring mechanisms
- Past performance
- The projected life of the grant
- 2007/08 allocation and 2007 MTEF allocation
- The payment schedule
- Responsibility of national transferring department
- Grant review process
- Review of business plans for 2008/09

The 2007 Division of Revenue Act requires that the additional frameworks be gazetted in terms of section 37(2) of the Act and the amendments to current frameworks be gazetted in terms of Section 22(2) of the Act.
