MEMORANDUM ON THE OBJECTS OF THE FINANCE BILL, 2012

1. BACKGROUND

- 1.1 The Finance Bill, 2012 (“the Bill”), provides for the authorisation of national government unauthorised expenditure arising from 1998/99 to 2003/04, and in the 2008/09 financial year. This process follows section 34 of the Public Finance Management Act (Act No. 1 of 1999), (“PFMA”) and gives effect to the recommendations of the National Assembly’s Committee on Public Accounts (“SCOPA”).
- 1.2 Section 34 of the PFMA provides that unauthorised expenditure becomes a charge against a Revenue Fund only when—
 - (a) the expenditure is an overspending of a vote and Parliament approves, as a direct charge against the relevant Revenue Fund, an additional amount for that vote which covers the overspending; or
 - (b) the expenditure is unauthorised for another reason and Parliament authorises the expenditure as a direct charge against the relevant Revenue Fund.
- 1.3 If Parliament does not approve an additional amount for the amount of any overspending of a vote as indicated in paragraph 1.2.1(a), that amount becomes a charge against the funds allocated to the relevant vote for the next or future financial years.
- 1.4 In terms of section 213(2)(b) of the Constitution of the Republic of South Africa, 1996 (“the Constitution”), the withdrawal of money from the National Revenue Fund must be provided for in an Act of Parliament. This Act of Parliament, in terms of section 77(1)(d) read together with section 73(2)(a) of the Constitution, is a money bill that may be introduced only by the Cabinet member responsible for national financial matters.
- 1.5 In accordance with the prevailing legislative framework, the Bill gives effect to the recommendations of SCOPA that Parliament authorise the expenditure and approve a funding mechanism.
- 1.6 The Bill provides for the authorisation of national government unauthorised expenditure in the amount of R544 739 251.03, of which—
 - 1.6.1 R40 292 419.92, referred to in Schedule 1 of the Bill, is classified as unauthorised expenditure in terms of section 34(1)(a) of the PFMA, due to an overspending of the Defence and Military Veterans vote during the 2003/04 financial year. An additional amount is recommended for the vote, for approval as a direct charge against the National Revenue Fund to cover the overspending. On approval of the Schedule 1 expenditure, the amount will become an additional charge against the National Revenue Fund.
 - 1.6.2 R20 625 352.33, referred to in Schedule 2 of the Bill, is unauthorised in terms of section 34(1)(b) of the PFMA (expenditure unauthorised for another reason). These cases occurred from the 1998/99 to the 2003/04 financial years, and are unauthorised due to deviations from tender procedures or incurring of expenditure that was not in line with the purpose for which the funds had been earmarked or the function of the department. The Defence and Military Veterans vote surrendered R20 625 352.33 to the National Revenue Fund because of the unauthorised expenditure. Pending approval, the Schedule 2 monies will be refunded to the vote, as a direct charge against the National Revenue Fund, to enable it to clear these amounts from its unauthorised expenditure account.

- 1.6.3 R483 821 478.78 in unauthorised expenditure due to an overspending on the Correctional Services vote during the 2008/09 financial year, is listed in Schedule 3 and is dealt with in terms of section 34(2) of the PFMA. The expenditure will become a charge against the budget allocations of the Department of Correctional Services and will not be an additional charge against the National Revenue Fund. This payment must be effected prior to 1 April 2015.

2. SUMMARY OF BILL

The following is a brief summary of the Bill: Clause 1 provides for the interpretation of the Bill; Clause 2 provides for the approval of unauthorised expenditure that is set out in Schedules 1 to 3 of the Bill; Clause 3 provides for the recovery of unauthorised expenditure, and stipulates that the Bill does not detract from or limit any right or obligation to take appropriate steps to recover unauthorised expenditure from a responsible official or former official; and Clause 4 contains the short title.

3. ORGANISATIONS AND INSTITUTIONS CONSULTED

All affected departments participated in the meetings and hearings of the National Assembly's Committee on Public Accounts.

4. FINANCIAL IMPLICATIONS FOR THE STATE

The unauthorised expenditure relating to overspending of votes for which additional funds have been appropriated, will have financial implications for the National Revenue Fund. The Bill proposes an amount of R40 292 419.92 as a direct charge against the National Revenue Fund as an additional amount.

5. CONSTITUTIONAL IMPLICATIONS

The recommendations that are made in the Bill take into account sections 77 and 213 of the Constitution.

6. PARLIAMENTARY PROCEDURE

6.1 The State Law Advisers and the National Treasury are of the opinion that this Bill must be dealt with in accordance with the procedure prescribed by section 77 of the Constitution, since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.

6.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
