**QUESTION NUMBER 1297 [NW1438E]**

**DATE OF PUBLICATION: 21 APRIL 2011**

**Dr D T George (DA) to ask the Minister of Finance:**

Whether the Financial Services Board considered the payment of a professional fee by the fund to the curator of the specified fund, rather than a percentage of amounts recovered; if not, why not; if so, why was the professional fee model not adopted?

**NW1438E**

**REPLY**

Yes, the Financial Services Board (FSB) has indicated to me that it did consider the above-mentioned option. The Honourable Member has posed this question before, and my response at the time is still valid. I attach a copy of my response for his convenience, published on 4 September 2009 (PQ 1061)
