**DATE OF PUBLICATION: 15 May 2015**

**213. Mr V E Mtileni (Limpopo: EFF) to ask the Minister of Finance:**

Whether the agreements reached by the SA Revenue Service and certain persons (name furnished) have any financial implications; if not, what is the position in this regard; if so, how much was agreed for each person?

CW299E

**REPLY:**

The 'certain persons' tendered voluntary resignations from SARS in the midst of disciplinary proceedings. SARS considered their resignations favourably and accepted them. Due to the confidential nature of the terms of their resignations and separation from SARS, SARS is unfortunately prohibited from disclosing any additional information regarding detailed terms of their separations.
