- (2) Two emergency deviations were approved.
(a) Immediate sanitization of all surfaces, kitchens, utensils, door handles on regular basis to prevent infections. This was done by the incumbent service provider.
(b) The department experienced positive Covid-19 cases. The building had to be evacuated and there was an urgent need to decontaminate buildings immediately.
- (3) The Department's COVID-19 Committee established the need for the goods and services to manage and contain the spread of infections. Request for quotations were issued to various companies and lowest quotations were accepted in each instance.
- (4) N/A
